tie Instruction.

What will we turn to next? Poliwill, for once in n long time, he free from the political issues that have so much embarrassed and troubled the 13 over the Republicans. chection. Now, the Legislators will, in December, take the matter in hand, and Congress will dispose of them for good or evil. From the result of the full election, the Democratic party will have the ascendency in that hole, and from the course of the party in the last session of Congress, we will be able to predict their action. To the Democratic party will the Greenback- Democrat. ers look for support of their measures; for themselves they have not enough to form a respectable committee, and to lican. the Republicans, now less than ever, ean they hope for help. To the great monied power the Republican party has placed itself under addigations. Body and soul they belong to it, but they have been shorn of the power they have heretofore held, and al-Though with the powerful influence of New York's monied control, they will be harmless for evil, and nothing is more certain than the decay of that party. The apathy in the west proves. backers, beyond a doubt, their hold upon the support of the people is gone. The Democrats. south is given up. To the east about they must look for a continuance of I Demperat. existence. This is too meager in force to maintain a national party, and from sheer necessity they must sing their Democrat. dving note and bid adien to spoil and plunder, power which they abused, offices of which they were nuworthy, backer, confidence which they forfeited, hopes and expectations they blasted and a country wranged. Soberly, they, the people, will turn to the party of their early affection, the choice of our fathers, the legacy of the patriots, and find as they always found succor in time of ocrats. need. The enlightened patriotic statesmen of the south will redeem their

The Congressional election in this crats. State last week resulted in the election of nine Democratic munimes and one independent Democrat. In the first district, Cal. O-car Turner, independent Democrat, beat Judge Trimble by about 1.000 majority, but it is quite probable, from all we have heard, that Cal. Turner is the better Democrat of the two. In the second district, the backer. gallant McKenzie has been re-elected by about 4,600 or 5,000 majority, having, as far as we can learn up to this time, carried every county in the discocrats, trict. F. M. (Flax Mane) English had his usual luck a small vote. In the third district, Col. John W. Cahl. Democrats. well was re-elected by about 1,200 majority. Hon. J. Proctor Knott could not possibly have been beaten in the fourth. In the fifth the gallaut, lis, beat the combined influence of well proportioned, money, treachery, bribery, corruption ments, and was re-elected by a handsome majority. Hon. J. G. Carlisle was re-elected in the sixth. Hon. J. kins, of the Educational Column, has The first lawyers that practiced be-C. S. Blackburn in the seventh.
